

SPARROW LAKE ASSOCIATION
Serving cottagers from Swift Rapids to Lock 42

The Sparrow Lake Association (SLA) was established in 1926 by a group of concerned and caring cottagers who thought an association should be established to look out for the best interests of all cottagers on the lake and the surrounding area and waterways. The SLA organizes events, advocates positions to various levels of government, and keeps cottagers informed on cottage related issues. The SLA also monitors environmental issues, to ensure the longevity of our ecosystem. Recent issues have included water levels, boating safety, shoreline development, and fish habitat.

Benefits of Sparrow Lake Membership include:

- Information Exchange – Stay informed & obtain information on key issues
- SLA Newsletter and E-updates during the summer months; SLA website
- Social Events – Picnic & Fishing Derby, Regatta, Golf Tournament
- Annual General Meeting – Keep up to date and discuss issues of concern
- Boating Safety – SLA works with O.P.P. on safety issues; places markers on rocks/hazards and promotes safe boating practices
- Environment – Promote sustainable development; monitor water quality
- Lake Development – Monitor zoning/bylaw issues in Severn/Muskoka townships
